

## (Hazel House Living)

At Hazel House we provide residents with everything they will need aside from personal items.

Here is a guideline of what to pack:

- Clothing - casual and work/interview appropriate
- Shoes/Sneakers
- Coat
- Toothbrush/toothpaste
- Shower essentials (soap, body wash, shaving cream, razor, deodorant etc)
- Residents are also responsible for all personal food items

We know this list is short but trust us we have everything else covered!
